

Sample Itinerary for a Four Day Languages Study Tour to Madrid.

Dates: To Be Decided.

The itinerary is designed to balance visits of the greatest interest with recreative activities. It aims to make the maximum use of time without exhausting participants. The itinerary we have proposed is flexible and is only finalised after discussion with the Party Leader(s). Flexibility is also built into the holiday itself as changes can be made at very short notice according to weather conditions etc. The visit will be guided throughout. All excursions are well-prepared and are backed by notes and a commentary. The director is able to run the holiday according to Party Leader wishes. In this way Party Leaders will be free to concentrate on the care of their pupils rather than the organisation of the tour. The whole stay is underpinned by excellent accommodation, catering, transport and security.

- 10.30 **Day's Visit to The City of Cuenca**

Our journey from Madrid to the New Castile city of Cuenca is very interesting, with rocky, craggy countryside which is some of the most dramatic in the whole of Spain. The city of Cuenca itself is extraordinary, with the whole city enclosed by the deep gorges of the Huecar & Jucar rivers & balconied houses literally hanging over the clifftops.

We will visit the old area of Cuenca, which stands on a high ridge, before entering the cathedral to admire the Gothic architecture. The highlight of our visit to Cuenca will be the Museum of Abstract Art, which is located in the most dramatic of the *Casas Golgadas* ('hanging houses' of the 15th century with cantilevered balconies which literally hang from the cliff face - not for the faint-hearted!) The gallery was established in the 1960's by Fernando Zobel, a leading member of Spain's 'abstract generation'. The gallery displays many paintings & sculptures by a variety of abstract Spanish artists & also hosts some of the best art exhibitions to be shown in provincial Spain.

After visiting the Museum of Abstract Art, we will enjoy some free time to soak up the atmosphere of Cuenca. Pupils may enjoy walking along the gorge of the Huecar River to look up at the 'hanging houses' high above the river.

Please note that there is a supplement for the optional visit to Cuenca to cover the cost of the day's coach hire.

The team has boasted some of the world's best & most expensive players including Ronaldo, Luis Figo & David Beckham. We will visit the club's impressive stadium before visiting the museum & trophy room, sited in the west stand of the stadium. Before departing, we will have the opportunity to purchase authentic football shirts & souvenirs from the club shop. Some participants choose to have a photograph taken with lifesize photographs of the players.
